General Conditions of Entry

GENERAL CONDITIONS OF ENTRY (APPLIES TO ALL CATEGORIES)

- A signed entry form is your guarantee to abide by the rules for the procession entry set out by the carnival organisers.
- The organisers retain the right to refuse entry to the procession, without giving a reason.
- In the interests of safety for both the participants and spectators no alcohol is to be consumed by the participants in the carnival before or during the procession.
- All persons participating in activities and events as part of the Douglas carnival do so entirely at their own risk and are responsible for arranging any insurance cover required. The organiser shall not be liable for any accident suffered by any person or damage or loss caused to and in respect of any property or thing.
- Balloons and any other single use plastics are not permitted.
- All entries must be received by Friday 24th June to feature in the Carnival programme.

CONDITIONS OF ENTRY (FLOAT)

- Every procession vehicle will provide a minimum of two stewards/marshals wearing high visibility clothing to ensure the safety of persons travelling on the vehicle or trailer. There must be at least one steward/marshal on either side of the vehicle. They must be in visual communication with the vehicle driver at all times.
- All vehicles must be in a road worthy condition.
- All motor vehicles and trailers must have at least third party road risk insurance and be covered for Social, Domestic and Pleasure use.
- It is your responsibility to ensure the vehicle you are using is covered by your insurance for the purposes of the Carnival.
- All vehicles must be taxed.
- All vehicles and their trailers must be a maximum of 4 metres wide and be able to undertake all required manoeuvres on the carnival procession route without the need to reverse. It is recommended that drivers reconnoitre the route in advance.
- To be permitted entry in to the procession each float must be built or equipped as follows:
 - There must be clear marking of the edge of the vehicle, ensuring it is visible to all participants on the float.
 - There must be no more than one person per square metre on your float.
 - Any person on the float must be sitting down or have a safety system whereby they cannot fall off; for example, you could consider anchoring chairs and installing edge protection or netting.
 - There must be no throwing of items from the float (this includes sweets).
 - All dressing on the float must be secured so that it cannot fall off during transit.
- Responsibility for the safety of children will remain with the float organiser until such a time when they are collected by a responsible adult at the dispersal point.
- All drivers and vehicle stewards will be subject to further instructions prior to the event
- If you are using a generator on your float:
 - You must be in possession of and able to use a fire extinguisher.
 - It must be positioned and protected in a manner which does not cause a risk of fire or burning of anyone. The exhaust must be positioned as not to allow for an accumulation of exhaust fumes for either the people on the float or others in the procession.

CONDITIONS OF ENTRY (WALKING GROUP OR BAND)

- Responsibility for the safety of children will remain with the group organiser until such a time when they are collected by a responsible adult at the dispersal point.
- All participants must adhere to further instructions which will be issued to the lead contact prior to the event.

CONDITIONS OF ENTRY (OTHER VEHICLES)

- All vehicles must be in a road worthy condition.
- All motor vehicles and trailers must have at least third party road risk insurance and be covered for Social, Domestic and Pleasure use.
- All vehicles must be taxed.
- It is your responsibility to ensure the vehicle you are using is covered by your insurance for the purposes of the Carnival.
- To be permitted entry in to the procession each vehicle must be built or equipped as follows:
 - There must be no throwing of items from the vehicle (this includes sweets).
 - All dressing on the vehicle must be secured so that it cannot fall off during transit.
 - Safety equipment relative to the vehicle must be worn.
 - Car drivers and any passengers must wear a seat belt if fitted.
 - Cyclists must wear a helmet.
- All drivers will be subject to further instructions prior to the event.
